About me too. International

me too. International is a convener, thought leader, and organizer in the global movement to end sexual and gender-based violence (SGBV), grounded in Black feminist principles and survivor-led healing and action. What started as local grassroots work has expanded to reach a global community of survivors and helped de-stigmatize the act of surviving by highlighting the breadth and impact of sexual violence worldwide. We strive for a more inclusive and safer world where SGBV is not just minimized but entirely eradicated.

Position Summary

The Director of Finance is a senior leadership role responsible for me too. International's financial strategy, operational infrastructure, human resources systems, and global compliance.
